English (native), German (A2-B1)

Research Professor, Software Engineer

Education

- 2021 **PhD**, *University of Colorado Boulder, Applied Mathematics*
- 2012 **MSc**, *University of Washington, Applied Mathematics*
- 2009 **BS**, *United States Air Force Academy, Mathematics, Minor in Philosophy*

Experience

- 2025 - **Research Assistant Professor**, *CS Department, University of Colorado Boulder*
- 2021 - 2025 **Research Software Engineer**, *CS Department, University of Colorado Boulder*
 - Architect for solid mechanics library with PETSc and libCEED - gitlab.com/micromorph/Ratel
 - Lead developer for performance portable finite element library - github.com/CEED/libCEED
 - Maintainer for fluid dynamics library with PETSc and libCEED - gitlab.com/phypid/HONEE
 - Mentor graduate students; teach software development and academic research best practices
 - Quality focused; focus on tests, maintainability, and documentation while expanding functionality
 - Research software innovations; developed GPU matrix-free Material Point Method software
 - Taught: Numerical Computation
- 2017 - 2021 **Graduate Research Assistant**, *Applied Math Department, University of Colorado Boulder*
 - libCEED core developer - C99 library with CPU/GPU performance portability; AVX, CUDA, HIP, & SYCL impl; C/C++, Fortran, Rust, Julia, & Python interfaces - github.com/CEED/libCEED
 - Architect/developer for FEM preconditioner analysis toolkit - github.com/jeremy-l-thompson/LFAToolkit.jl
 - Developed efficient implementations of high order finite elements for new exascale hardware
 - Researched Local Fourier Analysis for parameter tuning with sharp convergence estimates of preconditioners for arbitrary order FEM based operators, including p-multigrid and BDDC
- 2014 - 2016 **Assistant Professor**, *Math Department, United States Air Force Academy*
- 2012 - 2014 **Instructor**, *Math Department, United States Air Force Academy*
 - Math majors coordinator; ensured 50+ students in majors on track, organized majors events
 - Research mentor; advised students for independent research in math and operations projects
 - Faculty club advisor, Cadet Honor Guard and Freethinkers club; mentored student leaders, coordinated club travel and budget, supervised chemical and explosive safety programs
 - Taught: Calc I/II/III, Differential Equations, Engineering Mathematics, Discrete Mathematics
- Summer 2014 **Visiting Scientist**, *Lawrence Livermore National Laboratory*
 - Improved wind forecasting data projections for optimizing power grid production balancing
 - Investigated and compared smoothing filters, FFT, Gaussian smoothing, and non-local means
- 2009 - 2012 **Advanced Weapon Systems Analyst**, *United States Air Force*
 - NUCWSEP tester and analyst; conducted live tests of B-52 Air Launched Cruise Missile
 - Aggregated and analyzed ACC aircraft nuclear weapon test results for annual planning report
 - Overhauled annual ALCM accuracy and reliability forecasts; restored USSTRATCOM confidence
- 2023 - **Community Organizer, Moderator**, *Colorado BattleTech, Catalyst Game Labs*
 - Ensure a safe and welcoming environment for introducing new players to miniatures hobbies
 - Organize statewide events and moderate community spaces for CGL and Colorado BattleTech
 - Editor/developer for fan game projects, outworlds-wastes.jeremy.lt.org, skirmishers.jeremy.lt.org

Honors and Awards

- 2020 - 2025 **Annual freeCodeCamp Top Contributor Award**, *freeCodeCamp*
- 2018 **Helping Hands Volunteer Award**, *Moving to End Sexual Assault*
- 2016 **Brigadier General Daniel W Litwhiler Award for Outstanding Course Director**, *USFA Department of Mathematical Sciences*
- 2014 **Outstanding Academy Educator**, *USFA Department of Mathematical Sciences*
- 2013 **Outstanding New Instructor**, *USFA Department of Mathematical Sciences*
- 2011 **Junior Military Scientist of the Year**, *USAF Air Combat Command*
- 2010 **Honor Graduate**, *Operations Research Systems Analysis Military Application Course*
- 2008 **Excellence in Student Exposition and Research**, *American Mathematical Society*
